WHAT WE BUILD

Cabins made in our own yard

MK Portable Cabin has been building portable and prefabricated cabins since 2007 from our own works at Mumbra, Thane. We are the manufacturer - not a trader reselling someone else's cabin. Every unit is fabricated, insulated, wired and finished in-house, then transported to your site ready to use. Over 500 clients across India, and ISO 9001:2008 certification behind the process.

How an order runs

- 1 Your size and layout confirmed
- 2 Steel frame fabricated
- 3 Panelling and insulation
- 4 Wiring, flooring, fittings
- 5 Paint and finishing
- 6 Transported and placed on site
